# Graduates

- Walking the Stage  $\neq$   
Graduate Status '1'

- Does the student have a signed diploma at the time of file submission?

Yes or No

# Graduates, cont.

- Special Education student **MUST** be staffed out of IEP in order to be reported as a Graduate
  - In this case, no new EP record is needed.
  - Enter Staffed Out Date
- Does the student's IEP dictate continuing on to complete IEP Goals?
  - If yes, then NOT a Graduate until those IEP Goals are met
- Is student expected to finish up credits over summer?
  - If yes, then NOT a Graduate in spring reporting, but can be added as graduate on Grad Verification application in August if credits are completed

# Attendance

- Expected for all actively enrolled students PK - 12
  - Including...
    - CPI students dual enrolled
    - CPI HSAP students
    - SWVPP students (on-site and off-site)
    - 5<sup>th</sup> Year Srs

# Removals

- SRI requires information on all
  - In-School Suspensions
  - Out-of-School Suspensions
  - Expulsions
  - Interim Settings

# Non-Fall Supplementary Weighting

- Make sure Section FTEs are populated for all ...
  - Concurrent Enrollment courses that started after October 1, 2015
  - Courses in which you have students with Entry Code '16' (public shared time)
  - ICN courses
  - Courses marked in Secondary CTE Reporting Application as being used to meet offer and teach are ineligible for SW. (FTE = 0.000)

Non-Fall SW Application

Opens in May

Certified in August

# Reason No State Assessment (RNSA)

- Although NCLB replaced by ESSA, still required to account for all students' state assessments Grades 3-8, 10, and 11
- All students enrolled with you during your test window expected to have scores
  - If not, required to have RNSA
- REMINDER: DLM is a state assessment - these students do not need RNSA

# Reminders, Tidbits, Etc

- SIF or Flat File options for JMC & PowerSchool. (Infinite Campus not SIF ready)
  - Examine and compare
  - Need your help to know whether both methods result in same data
- Level II Errors in Spring (SRI) include, but are not limited to...
  - High School with no Grads
  - Change in IEP level with no new enrollment
  - Missing RNSA
  - ELL students with no ELPA21 score or no TELPA score if a late transfer
  - Student reported as exiting ELL more recently than 9/30/2015

# District Contacts

- Review District Contacts in SRI and AYP and make any necessary changes
- Email lists are generated using these contacts
- When we have a question, who is the first person we should contact? Usually not the same person in all categories.
- May be updated at any time.

# SRI 2016-17

- PowerSchool Migration
  - Importance of getting test files in **ASAP** this fall
- SRI 2016-17
  - New ELPA21 Extract
    - No added Data Entry
  - Tighter Validations on IEP Levels/Placement Dates/Staffed Out Dates
  - Tighter Validations on ELL students
  - Regional Trainings through August
  - Delete Kindergarten Literacy Assessment from SRI

# SRI 2016-17 Potential New Elements

- Extra Curricular Participation and Paying Job (2 elements) while in Grades 9-12
  - Both moving from Senior Exit Survey to SRI
  - Yes / No answer
  - Required for Graduates
- Date Parent Waived LIEP Services
  - Separating this date from LIEP Placement Date
  - Required annually; will not rollover
